## 1 Year 1 Day

## Join MIPET 10<sup>th</sup> Edition

[www.itim.unige.it/mipet/join](http://www.itim.unige.it/mipet/join)

# MIPET 10th Edition is Open

The International Master in Industrial Plant Engineering of Genoa University  
Master Internazionale in Impiantistica e Tecnologie, Ingegneria  
Scuola Politecnica, Università Genova

[www.itim.unige.it/mipet/join](http://www.itim.unige.it/mipet/join)

**MIPET** is the 1st & most consolidate International Master Program of the University of Genoa, since 10 years and ...

**..fully sponsored privately by Major Multinational Companies..**

**...that invest on young Engineers and look for talents!**

**MIPET 10th Edition starts in Spring 2019 and...**

**...brings you to real work in only 4 months.**

**After classes you will complete your Internship in a Leading Industry for over 3 months (usually paid), after it...**

**...you will present your Project Work and be ready for evaluating the final Real Job proposals by the Sponsors.**

**Major Companies invest time & money in MIPET and provide grants, so it is not surprising the fact that...**

**...MIPET Placement Rate overpasses largely 80%**

**Outstanding Candidates on Selection Process get Free Registration, so apply for it within 31 December 2018**

**MIPET is a very exciting opportunity for Italian (and not only) Engineers willing to work in Genoa and/or Overseas!**

**PAUL WURTH**
