1 Year 1 Day Areas

1 Year 1 Day will activate the following interaction opportunities:

A) Speakers' Corner: one or more of your representatives will have 5 minutes (MIPET Sponsors and STRATEGOS Patrons will have 10 minutes) to present at our Students your Entity, your Interests, your expectations and your proposals for our young Engineers; this will be carried out in common spaces in sequence based on the final Agenda that will be distributed by Genoa University on November 21, even considering special requests by attendees (e.g. late arrival). Speakers' Corners will be located in Common Areas and represent an interactive moment among Companies, Institutions and Students and will run concurrently on different points. Speech could be in English or Italian based on your preference/needs

B) Virtual Hall: The collected virtual material (e.g. video and ppt), provided by your Entity, will be accessible to Students on smartphones, tables, laptop and web, in an easy, intuitive and direct way through *Smart 1Y1D* (www.simulationteam.com/1year1day). In this way they will be able to understand your structure and expectations in order to maximize achievements based on real mutual interests

C) Company Desks: Desks will be located in Common Areas with your name and eventually (if available) your rollup, leaflets, gadget, etc. In these locations you will be able to meet students and carry out the Campus Interviews

D) Campus Interviews: The Students will register on 1 Year 1 Day Interview Lists and will be directed towards your Company Desk; by the way, their Curricula Vitae will be distributed to you on November 21
