RINA

An aerial illustration of an energy hub. In the upper half, several offshore wind turbines are visible in the blue sea. A large FPSO (Floating Production Storage and Offloading) vessel is in the center, connected by a cable to a smaller ship labeled 'CNG'. To the right, another FPSO is labeled 'LNG FPSO'. In the lower half, a coastal industrial area is shown with various buildings, storage tanks, and a large ship docked at a pier. A small town with a church is visible in the bottom right corner. A dark blue banner with white text is overlaid on the left side of the image.
