**All the Sponsor Companies are committed to evaluate best students achieving MIPET Degree at the end of the courses for working positions.**

**The Sponsors that will hire MIPET Students are committed to recognize them the efforts for attending the Master, at least, by refunding them the entire Master Fees**

**Placement statistics show that more than 80% of the previous Master student were hired by leading industries and major companies operating in industrial sector at end of the Master**

*The MIPET Master Course is organized by Genoa University in Cooperation with: ABB S.p.A., Danieli Centro Combustion S.p.A., Paul Wurth Italia S.p.A., Tenova S.p.A., Confindustria Genova, Ordine degli Ingegneri della Provincia di Genova, Associazione Nazionale di Impiantistica*

## **OBJECTIVES**

The Master in Industrial Plants, Engineering and Technologies is devoted to create System Engineers and Technical Project Coordinators. This Master provides deep technical skills in Industrial Plants as well as the capability to get the whole overview on the project and its technical aspects along the whole project phases: Offering, Engineering, Purchasing, Construction and Erection and Commissioning. At the completion of the Master Program, students develop transversal capabilities in all the critical areas (mechanics, high power, electronics, computation, management, security and safety, materials, processes and components) combined with their specialization expertise in specific Plant Sectors as well as with the Company Internship Experiences.

During Last Edition, all the students receiving the MIPET Master Degree obtained coverage of their Scholarship by Industries and 80% obtained qualified position in Companies leading the sector of Plant Engineering, Construction and Technologies at end of the Master Program.

## **REQUIREMENTS**

- Engineering degree (i.e. Bachelor in Engineering 4 year long) or other Scientific University Degree
- English Knowledge
- During the Master English Courses will be organized as well as other courses for improving language skills in areas important for Industrial Plant Market (i.e. in Italian and/or Chinese, Spanish, Portuguese)

## ADMISSION PROCEDURE

Qualification and interview live or by skype/phone and & Qualification (i.e. Curriculum Vitae)

## APPLICATION FOR ADMISSION

Applications shall be submitted filling out the application form “Modello A”

([www.itim.unige.it/cs/plants](http://www.itim.unige.it/cs/plants)). The form and the candidates' *curriculum vitae et studiorum* shall be:

- sent as Pre-Registration through [www.itim.unige.it/cs/plants/forms\\_mipet.php](http://www.itim.unige.it/cs/plants/forms_mipet.php) **before December 22nd 2016 or by email to [mipet@simulationteam.com](mailto:mipet@simulationteam.com)**
- presented to the Dipartimento formazione post lauream - Servizio Alta Formazione Settore II – Via Bensa, 1 – 16124 Genova, **within and no later** than February 2017. Preliminary submission by email to [mipet@simulationteam.com](mailto:mipet@simulationteam.com) before December 22<sup>nd</sup> 2016 is strongly recommended
- sent by fax to the following number +39 019 23 02 289 enclosing a copy of a valid document of identity, **within and no later** than February 2017
- Please contact [mipet@simulationteam.com](mailto:mipet@simulationteam.com) for asking for details for registration process

In the case of a degree obtained in foreign countries or expected to be completed within March 2017, but after the deadline for application the candidates should send the following documents with the application form or be ready to deliver them immediately after the selection process, in case of success:

- EU citizens (not Italian) and non-EU citizens living in Italy shall present the academic qualifications granted by a foreign University with a translation duly notarized by the Italian diplomatic or consular office of the country in which the qualifications were achieved and a “Dichiarazione di Valore” (Declaration of Worth) of the qualifications drawn up by the same consular body
- Non-EU citizens living abroad shall present the academic qualifications granted by a foreign University. In case of admission to the course, after selection, candidates shall present the academic qualifications to the appropriate Italian diplomatic or consular office for the prescribed consular documents
