

MIPET & Professional Engineering

Industrial Plant Combustion Seminar

MIPET – The International Master in Industrial Plant Engineering and Technologies is an initiative promoted by a joint Team of Academic and Scientific Institutions, Industries and Associations.

The 8th Edition of MIPET involves an international class composed by top quality young engineers coming from 4 continents (Europe, Asia, Africa and Latin America), sponsored by major companies.

The MIPET Excellence is based on the strong engagement of Academic and Technical Experts coming from Prestigious Universities and Leading Industries that are active in this area with special attention to sectors such as Energy, Iron & Steel, EPC, Large Industrial Plants, Process Industries, Oil & Gas. As happen each year, MIPET 8th edition includes modules and seminars that are open also to Professional and Industrial communities to promote also locally this International Network.

This Seminar is titled: **Industrial Plant Combustion Seminar** and it is a part of MIPET programme available to professional experts and engineers.

WHEN: July 3-4, 2017

WHERE: Aula A7, Villa Cambiaso, Polytecnic School
Genova University, via Montallegro 1, Genova

Industrial Plant Combustion Seminar presents innovative methodologies, techniques, models described by experts at international level able to guarantee a competitive advantage in Industrial Plant. The seminar addresses Combustion Technology issues in relation to different types of challenging problems in Sustainability, Smart Energy Management.

Industrial Plant Combustion Seminar is designed for young engineers, technicians and professionals intended to being updated on new Models and Innovative Methodologies to address complex Industrial Plants projects

1st Day Program

| | | |
|---------------|-----------------------------------|--|
| 13.30 – 14.00 | Registration & Welcome | Ing. Franchini, Ordine degli Ingegneri |
| 14.00 – 18.00 | Combustion Technology Foundations | Ing. A Milani, Senior Consultant |

2nd Day Program

| | | |
|---------------|-----------------------------------|--|
| 13.30 – 14.00 | Registration & Welcome | Ing. Franchini, Ordine degli Ingegneri |
| 14.00 – 18.00 | Combustion Technology Foundations | Ing. M. Fantuzzi, Tenova |

Number of CFU: 7
