Education STRATEGOS 2nd year Student: MSc in *Engineering Technology for Strategy and Security* (Laurea Magistrale), Genoa University

Bachelor's Degree in Information Engineering, Padova University

As graduated in Information Engineering I acquired a flexible and malleable professional competence, capable of dealing with interdisciplinary problems, even with immediate reference to those encountered during the course of studies.

Professional

Web-Marketing Consultant for the company “Non solo arredo” (house design), from 2015 to 2018. I managed the customers and took care of the Website.

Designer and executor of the *Parish Festival* of “Sagra della Natività della Beata Vergine”, since 2016.

I manage the division of tasks within the business, the supplies and the storage of food and beverages

Co-founder and treasurer of the association “Giovane Maserà” (<https://giovanemasera.it>): an Association for Political, Cultural and Recreational Purposes, aimed to address the expectations of young people in the Country as well as public needs on my area.

Skills

I am used to work in teams composed by people with very different backgrounds, cultures, nationalities, age and gender. So, I have a very good empathic attitude as well as an effective ability in understanding the context and the people. Through past activities within the voluntary sector, I acquired several successful experiences in assuming large organizational tasks.
