

Accommodation suggestion in Savona Campus

The proposed solution is GuestHouse of Genoa University in Savona Campus.

Information related to the suggested accommodation solution for IEPAL students coming in Genoa Area for the Industrial Module (Altea, AMT, Piaggio Aeroindustries, COOP Liguria, Mindrevolver.com, Vernazza AutoGru, PDE, Terminal Messina).

The Savona Campus is located in Savona Legino near to Highway Savona exit and about 500m from sea. Parking facilities are available inside.

Venue data are available in reference to DIP Savona Campus.

Savona Campus
Via Cadorna 2
17100 Savona

Savona Campus Guesthouse:

Special Agreement for IEPAL Students

- Accommodation in Double Room with another IEPAL Student

The Guesthouse is located inside Savona University

Campus, via Cadorna 2 - 17100 Savona facing the Stadium and the Swimming Pool. The Campus is linked by bus no.4 to railway station.

The accommodation is based on independent twin bed apartments (for two persons) provided with: kitchen, bathroom, pottery, sheets, towels and cushions. Electric power and room cleaning before and after the 3 weeks module are included in the day rate. Room cleaning during the 3-weeks stay is not included and students should clean up the room themselves.

An anticipated 6.00 Euro caution per person should be given at the arrival of the student and will be given back when they leave in order to receive electronic and hardware keys of the apartment.

Payment is due at the end of the third week of each module by cash or cheques (no credit card); ATM facilities are available in the area.
